SMART HJC ADAPTER KIT

This product is to be used if you have a Universal Bluetooth mount system.

SMART HJC BETTER THAN NOW

Riders are not satisfied just by riding. If you can see the nature of the ride, everything will be more fun. HJC thought it was important to think about how to combine technology with bike culture, rather than just a product full of technology. **That's why SMART HJC was born.**

We reflected these ideas in SMART HJC. True riding pleasure comes from enjoying freedom and meeting new things. Through your own smart wings, run together, share your best moments, and communicate without barriers.

SMART HJC, the choice of rider for fun and convenient riding.
